Robi Mazumdar is expected to attend both conferences and Bankim Mukherji (who is going to Sunamganj after the Jalpaiguri Conference is over) may also attend them if the dates are changed to suit him. Several speakers from Calcutta will also be present.

Abdulla Rosool, Abu Hossain Sarker M.L.A., Dasarathi Ta, Sujat Ali Mazumdar, and Abdul Momin will speak. It is reported that Soumyen Tagore told some members at 220 Cornwallis Street on 19.2.39 that Nirod Chandra Dey(C.L.) and Subodh Das(C.L.) had contributed Rs.100/- and Rs.40/- respectively towards printing of the "Ganavani" and he asked for more donations in this connection. It was eventually decided to relieve Nirod Dey of his other duties on his offering to collect at least Rs.100/- p.m. Soumyen further said that the Booksellers Employees Assoc-

iation Conference would be held in the middle of March to give publicity to this paper and that he would try to get Mr.Tushar Kanti Ghose to preside over it. In the meantime an issue of the "Ganavani" would publish the demands of the booksellers' employees and stress the need for holding the conference. This issue would be circulated among these employees in Calcutta. He also said that by 26.2.39 all the peasant organizers would be assembled in Calcutta to discuss the possibility of bringing about twenty thousand peasants to hold a conference in Calcutta. In this conference they would try to form a parallel B.P.K.C.excluding Bankim Mukharji(B.P.K.C.), Muzaffar Ahmed(C.P.I.) and their followers and they would try to seek affiliation to the A.I.K.C. He added that he was in correspondence with Prof.N.G. Ranga(A.I.K.C.), M.L.A.(Central) and Swami Sahajananda (A.I.K.C., Bihar) in this connection. On 24.2.39 about 250 copies of the 3rd issue of the "Ganavani" were sent to Batanagar for circulation.

STRUGGLE OF PEASANTS

POLITICAL SIGNIFICANCE
EXPLAINED

Comrade Rasul At Sunamganj Conference

(From Our Own Correspondent)
Sunamganj, Feb. 25.

The first session of the Sunamganj Kisan Conference was held recently at Shamachar. About 10,000 people, mostly peasants, attended.

Comrade Abdullah Rasul, General Secretary of the Bengal Provincial Kisan Sabha, presided. Several prominent Kisan leaders including Comrades Saradindu Dey, Karunasindhu Roy, M.L.A., Abdul Kalyum, Chitta Das, Rajendra Nandy, Brajendra Choudhury, Ramesh Brahmachari, Dinesh Choudhury, Nibaran Dutta and Gopal Basak of Meerut Conspiracy Case were present.

In the course of his presidential address Comrade Rasul congratulated the peasants of certain parts of the district on the victory they had won after heroic and prolonged struggles against their exploiters and also on their determination to continue their fight. He stressed the necessity of the class organisation of the peasants as well as the great importance of disciplined and well organised struggle without which, he said, it would not be possible for them to achieve their end.

The President further remarked that the struggle of the peasants was not only a fight against landlords and money-lenders for temporary economic relief, which certainly they must have, but it had also a most important political significance. In order to attain their goal of permanent good, which of course meant the death blow to the vested interest of the exploiting class, the peasant must intensify and extend the limits of their present struggle so as to bring about a complete agrarian revolution.

Comrade Rasul made an impassioned appeal to all peasants male and female to get themselves enrolled

as members of the Kisan Sabha and carry on their struggle, whether against landlords, money-lenders or Government who were supporters of each other in their game of exploitation. He concluded by emphasising the likelihood of a new and nation-wide struggle being launched in the near future in which he hoped the peasants would participate in their hundreds of thousands so that they might save their own economic and political interests.

It is reported that Jnanda Bhattacharji (C.L.) and Satish Samanta (C.L.) have complained to Souryen Tagore that Indhu Das (E.D.C.L.) and Berjul Mustafa (C.L.) Kisan organizers in 24-Parganas, who work with them have misappropriated money collected from the peasants. They have asked for disciplinary action against them as the League's status there has been lowered. There is also said to be some internal discord among the League's Kisan organizers. Both Debakar Haldar and Satish Samanta now reside in the 24-Parganas District.

It is now reported that Souryen Tagore told the peasant organizers of 24-Parganas (vide para.16)

Thousands would have to sacrifice their lives for this purpose. Those present decided to hold the Krishak Conference at Derohatpukur, Canning P.S., 24-Parganas in the last week of March over which Swami Sahajananda (A.I.K.C.) would be asked to preside. In this connection they also decided (i) to hold sixtyfive meetings from 4-3-39 to 21-3-39 and to raise Rs.1000/- from the peasants, (ii) to arrange to accommodate 5000 persons and to feed about 4000 of them and (iii) to raise a volunteer corps and to arrange for loud speakers.

At the present moment a very vigorous propaganda is being carried on among the peasants in the Kishoreganj subdivision by—

- (1) Jagadish Chandra Bhattacharji (ex-detenu, ex-convict, Arms Act Case, Jugantar).
- (2) Oli Newaz (ex-detenu, ex-convict, Dacoity Case, Y.C.L.).
- (3) Nagendra Sarkar (ex-detenu, ex-convict, Arms Act Case, Y.C.L.).
- (4) Annada Charan Pal (ex-convict, Arms Act Case, A.R.G.).

Almost every day meetings are being held and the peasants are being urged on and asked to form themselves into processions and march to the Conference at Kishoreganj. It is proposed to have a "rally" of peasants at Sarachar and Khitish Chandra Ray (ex-convict, Robbery Case, A.R.G.), Gobinda Chandra Kar (A.R.G., ex-convict, Dacoity Case) and Ajit Kumar Ray (ex-detenu, Jugantar) are making arrangements for this.

Jugantar leaders, in particular, Suren Ghose (E.D.) and Jiban Chatterjee (E.D.) are said to be trying, through some of their Madrassi friends, to recruit Madrassi students and youths resident in Calcutta. They are also said to be planning to organise students and youths in Madras. It is that S. Srinivasa Iyengar will help the party in its open activities and that a few friends whom Suren and Jiban made while in jail will assist in the secret organization. Iyengar who was entertained by the Jugantar leaders to a tea party on 9.2.39 is said to have introduced some Madrassi Youths to them.

Biswanath also said that the

nothing without consulting him. It was then decided to
keep aloof from the C.S.P., to hold meetings to expose
its mentality and to ask the B.L.P. members working within
it to sever their connection. If the C.P.I. objected to
this they would give reasons and obtain their sanction to
withdraw from the C.S.P. They also decided to create strong
public opinion to expose the right wing for their resolu-

RAJSHAHI KRISHAK CONFERENCE

District Session Starts At Basudevpur

(From Our Own Correspondent)
Rajshahi, Mar. 16.

Despite machinations, propaganda and picketing by the uniformed Muslim League volunteers armed with lathis moving around the conference ground the first session of the Rajshahi District Krishak Conference opened yesterday before a large gathering at Basudevpur village, 35 miles from Rajshahi town in a calm atmosphere. Comrade Abdulla Rasul, the General Secretary of the Bengal Provincial Krishak Samity presided over the meeting owing to unavoidable absence of the elected President, Md. Abdul Rezak Khan.

Pandit Haranali the Chairman of the Reception Committee welcomed the delegates. Mr. Haj Naimuddin a villager opened the Conference. Comrade Sujat Ali Majumdar unfurled the Krishak Majdoor flag amidst enthusiastic slogans.

like Dr. Moonje, Bhai Paramananda and Vinayak Damodar Savarkar. Most of these were revolutionary patriots in their youth when they had worked for the freedom of their country unconscious of communal ambitions or unswayed by them, who had for fellow-workers men of all creeds. To-day they are leaders of the Hindu Mahasabha and Hindu Sangathan movements. As strongly and loudly do Indian Muslims assert their separateness, and kinship with Muslims in the countries outside, so do the leaders of the Hindu Mahasabha assert that the Hindus are "the bed-rock" of Indian life. And between these two assertions the Indian mind is being swayed to and fro, uncertain of itself and rendered helpless for any forward move.

MYMENSINGH DISTRICT KISAN CONFERENCE

(From Our Own Correspondent)

Kishorganj, Mar. 20.

The second session of the Mymensingh District Kisan Conference began here yesterday at 4-30 p.m. amidst great enthusiasm. Comrade Abdul Basul of Burdwan presiding the local members of the Muslim League tried their best to dissuade the Kisans to join the Conference by persistent anti-propaganda but it proved a failure. The presidential procession was joined by about 2,000 Kisans, students and youths. The procession started at 3 p.m. from the local Kisan Sabha office and marched through the principal streets of the city. The Muslim League also started another procession but with the best of their efforts they could only collect 2 or 3 dozens of people who participated in that anti-demonstration.

Many peasants and labour leaders including Comrades Muzaffar Ahmed, Samul Huda, Lokman Khan Sherani, Dharani Goswami, Rebati Burman, Bankim Mukherjee, M.L.A. and Prof. Aukhoy Saha, Mrs. Tatien Saha and mother of Prof. Aukhoy Saha came to Kishorganj to attend the Conference.

Mr. Niharendu Dutt Majumdar, M.L.A., Chairman of the Reception Committee, could not be present due to his ill state of health. Two hundred Hajang peasants including the women came from Susang, a distance of nearly 80 miles, on foot to join the Conference and many Hindu and Muslim peasants from remote villages flocked to the town in small processions. A magnificent pandal was erected at the local Sakhabai Maidan. Loud-speakers were also installed.

The Conference opened with a chorus song sung by Comrade Dipali Roy and others.

RED FLAG HOISTING

Comrade Muzaffar Ahmed in hoisting the Red Flag said that it was the flag of Kisans and labourers all over the world. If they, the Kisans and labourer, united together and demanded their right no power on earth could resist them.

Continuing he said that the Kisans and labourers of Russia had got their full powers, fighting under this flag. Before they could get their power in hand they should have to sacrifice a great deal under this flag. Comrade Ahmed fervently appealed for Hindu-Muslim unity.

divisions between Hindus and Muslims by the cry "Islam in danger."

RUSSIAN & INDIAN PEASANT

Mrs. Tatien Saha a daughter of Russia, next addressed the conference as follows:—

"To-day you have gathered here to demand your right for livelihood to express your protest against the shameful exploitation in which you have been so long a time under the capitalistic regime. I earnestly desire your success. Coming from Soviet Russia I can understand your voice which comes from the core of your heart.

"Perhaps you would like to hear from me some short statement on the life in the Russian village.

"Life of an Indian villager at present has much similarity with that of Russian villages in the pre-revolutionary time. Same manners and customs of living, same social traditions, devotion of wives to their husbands, religiousness, belief in faith, obedience to the wills of God and some sort of a fear before this fantastic and unexplicable creature. Same greed and oppressions of innumerable money lenders, those gigantic spiders which are suffocating villagers within their iron net. Same misery and blind illiteracy. And even same spinning wheel almost at every house, near which in the long winter evenings mothers with their eyes full of suffering were spinning their endless threads and singing to their small children songs of the ever slavery.

LETHARGY CONDEMNED

"But in spite of all those similarities I am sorry to find a big difference in the mentality of Indian and Russian peasants. Even in extreme poverty the Russian peasants were living in hope to get out from their poverty in time, was trying to reach better standard of life. While you, peasants of India, dying of hunger, still upto this time were quite indifferent to your lot, quite passive and satisfied to spend your life any how day after day. I am sure that time has come when you will get out of your lethargy and will begin the open and severe struggle for your rights under the guidance of your devoted leaders. As you are at present "the scape goat" of capitalist society, being compelled to provide with your heavy labour all the higher classes of this society, Russian peasants before the revolution were

—Indian people are dying of starvation owing to the unemployment and want of work. But India under careless administration of foreign Government is sucked by free foreign marketing of so many countries. She fails to compete in this international market, and gradually is dying and degenerating.

"Should not this danger be prevented? Should you not take active step to save your mother country and save your own livelihood?"

PROF. SAHA'S SPEECH

Prof. Aukhoy Saha in course of speech said:—

"I am not a politician, I am an Engineer and Scientist. Perhaps some of you know about the existence of All India National Planning Committee, of which I am one of the members. Every one should bring his services to the mother country according to his own abilities. Our destination, aim of our Planning Committee—to save you from your poverty, unemployment and compulsory laziness, by creating for you, for a masses of our country a large field for the new work, by the means of industrialisation of our country. So long we are under severe economic exploitation in the hands of different foreign countries. Practically we have nothing of our own. When you are using your dhuties you shirts, your chadars, when you are going some where by train or bus or tram car, this your cloths are made from foreign threads or directly by foreign firms even if they have the stamp of "Indian made", all this railway engines, bogies cars—are foreign made. Our country is some kind of an international market, our capital is going in a current to the foreign states and we are going into more and more deep poverty. We are not only in political dependence but we are in complete economic slavery. We have no field for work when practically we are dying from hunger. We, the members of the Planning Committee, which is created by the initiative of our beloved leader Sreejut Shubbash Chandra Bose, the Congress President—we like to put an end of this shameless economical exploitation.

"If you will join us—the intellectual workers, if you will go hand to hand with the Congress and our Planning—I am sure there is nothing which we shall not be able to do by our united efforts, there is none to defeat our united strength."

POLITICAL SUFFERERS MEETING

At 8 this morning, the Political sufferers Meeting organized by the local Kisan and labour workers was held under the presidency of Mr. Bankim Mukherjee M.L.A. Comrades Samul Huda, Rebati Burman, Satish Pakrashi and Nagen Bhattacharyya addressed the meeting.

The following resolutions were

her and demanded their right no power on earth could resist them.

Continuing he said that the Kisans and labourers of Russia had got their full powers, fighting under this flag. Before they could get their power in hand they should have to sacrifice a great deal under this flag. Comrade Ahmed fervently appealed for Hindu-Muslim unity.

In the absence of Mr. Niharendu Dutt Majumdar, M.L.A., Comrade Rabati Burman welcomed the delegates and workers on behalf of the Reception Committee.

Mr. Shankin Mukherjee, M.L.A., in opening the Conference, said that it was a pleasant duty on his part to host the function. He said that the Kisan ought to have organised their Sabha two hundred years ago but they did not do that. They could not realise their condition. But in recent years their condition had been highly deplorable and so they had joined this movement. Mr. Mukherjee pointed out if the Kisans perished the whole society including the zamindars and the Mahajan would automatically stop to exist. But the latter could not realise the fact and they were exploiting the Kisans. Kisans should not depend on the members of the Assembly, as the real representatives could not go there.

ZEMINDARY MUST GO

He pleaded for the complete abolition of permanent settlement and imposition of tax on a graduated scale like Income Tax instead of rent system. He also pleaded for the abolition of Chowkidari tax as the citizens were not to pay any tax for the maintenance of the Police in the city. He strongly criticised the communal activities of the Muslim Leaguers in obstructing the Muslim peasants in joining the Kisan movement. In concluding his speech he strongly appealed to the peasants for Hindu-Muslim unity as there could not be any difference in the cause of exploited and poor peasants.

Comrade Abdulla Rosul, President of the Conference, was highly greeted by the audience when he stood to deliver his written speech. After the Presidential address, Comrade Lokeshan Khan Sherwani of Chittagong, in a small speech said, "unemployment and poverty have been increasing alarmingly due to the deplorable policy of the British Government. Provincial Autonomy have brought only small power in our hands and we should not remain satisfied with it. We should fight the Federation and demand for a constituent assembly to be formed by the people of this country. This form of Government will be Kisan Government as majority of voters will come from peasants in that case." He strongly condemned those who tried to create

has come when you will get out of your lethargy and will begin the open and severe struggle for your rights under the guidance of your devoted leaders. As you are at present "the scape goat" of capitalist society, being compelled to provide with your heavy labour all the higher classes of this society, Russian peasants before the revolution were also "the scape goat" of Tzarist Russia.

"God will save, peasant will maintain"—used to say Russian zamindars.

But they went beyond the limit that human passion could bear. Rope became too stretched and broke suddenly.

But not only so... whereas the burden of Russian peasants before revolution was unbearable, their life, their efforts, their sufferings were spent for their own country. You the Indian Peasants are making all this sacrifices first of all for the benefit of foreigners. You are double slaves!! Under the capitalism and under the foreign power.

RUSSIA AT PRESENT

Face of Russian village has been totally changed by the Great October Revolution. And if you will see Russian village to-day you will find Russian peasants enjoying all the rights, which you have pointed in you demands now—they have their right for voting and full rights of citizenship both male and female after the age of 18, they have sufficient land for cultivation granted to them for life by the Soviet Government and reasonable rent for this land they are paying directly to the Government. They have separate fields to feed their cows and cattles; an excluded area for the barial place; they have been totally saved from the hands of money lenders. Private money lending business is prohibited in Soviet Russia under punishment of Jail and even shooting down. And I should say that really many of the money-lenders had been shot down after the revolution. But according to my humble opinion it was very little punishment for them, who actually are murderers, but are killing thousands of their victims by a slow process. Instead of private money lending their is large net of Government Banking in Soviet Russia. If any peasant is in urgent need of monitory help he is to apply directly to the Government and necessary sum will be given to him for the period of 5, 10 and even 15 years without any charge of extra (interest) percentage. All such arrangement can be done of course in any country on the condition that all capital and all resources of state are in the only hands of the Government.

Have you not the same human rights as Russian peasants? Have you no desire to enjoy same kind of life and happiness? And if so are you ready for sacrifices in the coming struggle?

As a result of large-scale collective farming and full reconstruction of the rural life the U.S.S.R. has become one of the first agricultural countries in the world, as well U.S.S.R. is one of the first industrial states in the world too.

I wonder whether you know that agriculture of your mother country India—is gradually falling down. Let us take one of your main agriculture—Cotton. According to the dates of 1932 the sowing area under cotton in U.S.S.R. has been increased by 224 per cent. Sowing area under cotton in India has fallen down to 83 per cent.

"It is not the result of over production of silent working hands,

At 8 this morning, the Political sufferers' Meeting organized by the local Kisan and labour workers was held under the presidency of Mr. Hardim Mukherjee M.L.A. Comrades Samul Huda, Rabati Burman, Satish Pokrashi and Nagen Bhattacharyya addressed the meeting.

The following resolutions were unanimously adopted in the meeting:

This meeting of the inhabitants of Mymensingh assembled at Kishoreganj resolves that the political prisoners, convicted in connection with the terrorist movement and peasant and labour movements, be released immediately and without any condition. The minister in-charge of law and order in Bengal announced sometime ago that those prisoners who are not keeping well in jails would be released without delay. But this announcement of the Government has not yet been given effect to. The political prisoners' release Committee appointed by the Government is also not working as satisfactorily as it was expected. In view of the fact that terrorism is now a thing of the past, the Government cannot have any reasonable ground to hesitate in releasing the prisoners convicted in connection with the terrorist movement who are now rotting in jails for a long number of years.

It is reported that Professor Jyotish Ghosh proposes to preside over the Peasant Conference at Fulbari, Dinajpur on the 1st or 2nd April 1939, which is being organized by Kshitish Roy(ED) and Satyen Roy. Thereafter he will tour that district in order to influence young men to organize the peasants. He is said to have conferred on this subject at Chinsurah with Harinarayan Chanda and Biren Banarji on 18.3.39 and with Satyen Roy and Nripen Mazumdar(ED) on 21.3.39. The Professor is disappointed with the Anushilan Samiti because they withdrew their promise to work in co-operation with the Independent Communist Party, and their leaders established connections outside Bengal- Pratul Ganguli in the U.S. and Trailokhya Chakravarti in the Punjab- without consulting him. He condemned the ex-terrorists for adopting constitutionalism. He prefers to occupy a central position among the ex-terrorists in the hope of co-ordinating the activities of various groups. He is said to have started a study circle at Sandeswartola in the house of one Joypal. Harinarayan Chanda and others are still endeavouring to start the party press(Cf. para 53). Silpa Samavaya, where the party money amounted to Rs.2000/- is invested by Prof. Ghose, would not give the amount to Harinarayan in the absence of a proper security. It has therefore been proposed that Kshitish Roy(ED) and Biren Banarji(ED) would take the money after mortgaging the former's property. Mani Biswas(ED) will pay another sum of Rs.2000/- to start the press.

রংপুর জেলা কৃষক সম্মেলন ।

দ্বিতীয় অধিবেশন—কালীগঞ্জ থানা ।

ভাই কৃষক ।

কেবলমাত্র রংপুরের কৃষক নয়—গোটা ভারতবর্ষের কৃষকই ক্রমশঃ বুঝিতে পারিতেছে যে তাহাদের দারিদ্র্য ও ছরবস্থার প্রতিকারের একমাত্র উপায়—সম্ভবদ্র আন্দোলন ও শক্তি সংগ্ৰহ করা । ভারতের কৃষক আজ বুঝিতে পারিয়াছে যে দেশের ৭৫ জনই কৃষক । সুতরাং তাহারা এক হইতে পারিলে এবং তাহাদের হৃৎ হৃদিশার মূল কারণ সম্বন্ধে সচেতন হইতে পারিলে তাহাদের যে প্রচণ্ড শক্তি হইবে তাহাকে দেশের সমস্ত শ্রেণীর লোকই শ্রদ্ধা ও সম্মিহ করিয়া চলিবে এবং তাহাদের ন্যায্য দাবী মানিয়া লইতে বাধ্য হইবে ।

গত কয়েক বৎসর যাবৎ ভারতের কৃষকসম্প্রদায় নিখিল ভারত কৃষক সম্ভার মধ্যে সম্ভবদ্র হইয়া তাহাদের ছরবস্থার প্রতিকারের জন্ত আন্দোলন শুরু করে । ক্রমে এই আন্দোলনের ঢেউ রংপুর জেলাতেও ছড়াইয়া পড়ে এবং গত দেড় বৎসরের মধ্যেই এই জেলার বিভিন্ন স্থানে কৃষকগণ গ্রামে গ্রামে কৃষক সমিতি গঠন করিয়া তাহাদের দাবী দাওয়া দিতে শুরু করিয়াছে এবং তাহারা ফলে যে কৃষক শ্রেণী এতকাল পর্যন্ত সমাজের সকলের নীচে থাকিয়া সকলের নিকট হইতে কেবলমাত্র অপমান ও জুলুম সহ্য করিয়া আসিয়াছে এবং যেন আপত্তিতে কেবলমাত্র সকলের জুলুম তামিল করিয়াই আসিয়াছে—সেই কৃষক শ্রেণীই আজ সমাজের সর্বাপেক্ষা শক্তিশালী হইয়া উঠিয়াছে । আজ তাহারা স্পষ্ট বুঝিতে পারিয়াছে যে রংপুরের কোন কৃষকই আর একা নয় । প্রত্যেক কৃষকের দাবীর পিছনেই রংপুরের সমস্ত কৃষকের আন্তরিক সমর্থন রহিয়াছে ।

কিন্তু অপর দিকে কৃষকের বিরুদ্ধ পক্ষরাও আজ চুপ করিয়া বসিয়া নাই জমিদার, মহাজন ও তাহাদের দালালের দল এক হইয়া নানা প্রকারে কৃষকদিগকে দাবাইবার চেষ্টা করিতেছে—তাহাদের মধ্যে ভেদ সৃষ্টি করিবার প্রয়াস পাইতেছে । কৃষকের মধ্যে আজ জাগরণ আসিয়াছে—একহাতা হইয়া তাহারা তাহাদের দাবী দাওয়া দিতে আরম্ভ করিয়াছে—তাহাতে তাহাদের গাত্রদাহ শুরু হইয়াছে । কিন্তু কোন বালাই আজ আমাদের দমাইতে পারিবে না । রংপুরের কৃষকদের আজ বুঝাইয়া দিতে চাইবে যে কোন স্থানে কৃষকের আঁচা দাবীকে টাকা ও রাজনৈতিক প্রভাব প্রতিপত্তির জোরে দাবাইতে চেষ্টা করিলে রংপুরের সমস্ত কৃষকই ও সমগ্রাধিপতি এবং কৃষকদলী অগ্রাশ্রয় শ্রেণী ও প্রতিষ্ঠানের লোকও তাহাদের পাশে দাঁড়াইবে এবং লড়াই করিতে বদ্ধপরিকর হইবে ।

ভাই সব, এই অল্পকালের আন্দোলনের ফলেই কৃষকের অনেক দাবীই আজ মানিয়া লওয়া হইয়াছে—
তামাকের ট্যাক্স উঠিয়া গিয়াছে, আবওয়াব আদায় বে-আইনী ঘোষিত হইয়াছে, জমির হস্তান্তর ফি লোপ
পাইয়াছে, শিক্ষাকর ও সাটিফিকেট আইন সাময়িকভাবে বন্ধ হইয়াছে। কিন্তু ইহাতে তাহাদের অভাবের
একাংশও মেটে নাই—এখনও অনেক কিছু আদায় করিতে হইবে। সুতরাং আরও দৃষ্টগণ জোরে আমাদের
আন্দোলন চালাইতে হইবে। বে-আইনী আদায় বন্ধ, ফসলের দর বাধা অল্প সুদে কৃষি ঋণ, বকেয়া ঋণ ও
খাজনা মাপ, গার্মিশী ও সাটিফিকেটের ভুলুম বন্ধ করা, খাজনার হার অধিক করা—এই সমস্ত দাবী লইয়া সমস্ত
ভারতবর্ষ এবং বাংলা দেশের কৃষকের সম্মিলিত কাঁধ মিলাইয়া রংপুরের কৃষককে লড়িতে হইবে। আজ বাংলা
দেশে ভূমি-সংক্রান্ত যে কমিশন বসিয়াছে তাহার ফলে এতদিন পরে জমিদারী প্রথা আসামীর
কাঠগড়ায় উঠিয়াছে। বাংলা দেশের কৃষকের আজ প্রমাণ করিতে হইবে যে জমিদারী প্রথা তাহাদের
কিরূপ সর্বনাশ করিতেছে এবং তাহাদের দাবী দাওয়া জোর করিয়া বলিতে হইবে।

ফাল্গুন মাসের মাঝামাঝি সময়ে কালীগঞ্জ থানায় যে “জিলা সন্মিলন” হইতেছে
তাহাতে এই সমস্ত জীবন মঙ্গল সমস্যা লইয়া আলোচনা হইবে এবং তাহাদের কর্তব্য
স্থির হইবে। বাংলা দেশের বিভিন্ন অঞ্চল হইতে কৃষক নেতা এই সন্মিলনে আসিবেন।
যাহাতে কৃষকগণ তাহাদের অবস্থার প্রতিকারের উপায় নিজেরা আরও ভাল করিয়া বুঝিতে পারে সে জন্য ব্যক্তি
গণ সাহায্যে বজুতা হইবে এবং ছবি প্রদর্শনীতে ভারতের এবং হুনিয়ার কৃষক আন্দোলন দেখান
হইবে।

ভাই সব এই সন্মিলনের গুরুত্ব বুঝিয়া দলে দলে উপস্থিত হইবেন এবং প্রতিনিধি
পাঠাইবেন।

কৃষক আন্দোলন জয়যুক্ত হউক।

রংপুর জেলা কৃষক সম্মেলন।

(দ্বিতীয় অধিবেশন)

স্থান—চন্দনপাঠ, কালীগঞ্জ থানার অন্তর্গত আদিতমারী চৌশানের নিকট।

১১ই ও ১২ই চৈত্র শনিবার ও রবিবার।

সময়—বেলা ১ ঘণ্টিকা।

জমিদারী প্রথার উচ্ছেদ চাই।

ভাই কৃষক,

আজ তোমাদের এই প্রবন্ধ কেন? তোমরাই সকলের মুখের ভাত যোগাইতেছ, কিন্তু ত্রীপুর-পরিবার নিয়ে তোমরাই অন্যতরে মরিতেছ কেন? ভাই কৃষক, ইহার প্রধান কারণ:—জমিদারী প্রথা ও মহাজনের শোষণ।

একদিন কৃষকই ছিল সমস্ত জমির মালিক। তখন তাহাদের কোন অভাবই ছিলনা। কিন্তু যখন আমাদের দেশ পরামীন হইল, অর্থাৎ যখন বিদেশী লোকের হাতে আটনের ক্রমতা গেল, তখন তাহারা নিজেদের স্বার্থের জন্য একদিন চক্রান্ত করিয়া কৃষকদিগকে ফাঁকি দিয়া জমিদারী প্রথার পত্তন করিল। সেই হইতেই তোমরা চইলে প্রথা, আর বাহারা তহীলদার ছিল তাহারা হইল তোমাদের জমিদার। এবং সেই দিন হইতেই—ফসল হটুক বা না হটুক, ফসলের দর চড়া হটুক বা নন্দা হটুক, ইচ্ছামত খাজানা বাড়াইবার ক্রমতা জমিদারের হাতে গেল।

ইহার ফল কি পাড়াইয়াছে? ইহারই ফলে আজ ফসল কাটিয়া ঘরে তুলিবার আগেই বাকি খাজানা ও ঋণের দ্বায়ে জমিদার ও মহাজনের দল তোমাদের বার আনা ফসলই লইয়া যাইতেছে। তোমরা সিকি ভাগও ঘরে তুলিতে পার না।

কৃষকেরই টাকায় বড়লোকের বাবুগিরি চলিতেছে। কিন্তু রোগ হইলে তোমাদেরই পথ্য পর্য্যন্ত জোটে না।

তোমাদেরই পয়সায় গভর্ণমেন্টের সমস্ত প্রকার খরচা চলিতেছে। কিন্তু তোমাদের বাঁচিয়া থাকিবার মত অটিন জৈয়ারী হইতেছেনা। এই দুদিনেও খাজনা কমে না; ঋণ মাপ হয় না, পাট তোমাদের দর বাঁধিয়া দেওয়া হয় না, গান্ধী ও সার্টিফিকেটের ডলুম বন্ধ হয় না।

বাকি খাজনা, ঋণের দ্বায়ে, এবং চ্যাম্পের চাপে কৃষকের জমি বেহাত হইতেছে। তোমরা সর্ব্বদা হারাইয়া পথের ফাকির হইয়া যাইতেছ।

এই অবস্থারই প্রতিকারের জন্য রংপুরের কৃষকগণ অন্যান্য জেলার কৃষকশ্রেণীর সহযোগে “কৃষক সমিতি” করিয়া আন্দোলন চালাইতেছে। তাহাদের এই আন্দোলনে কাজ হইয়াছে। জমিদারী প্রথার ভালমন্দ বিচারের জন্য গভর্ণমেন্ট “ক্লাউড কমিশন” নামে কয়েকজন বিচারক ঠিক করিয়াছেন। জমিদারী প্রথার আজ বিচার হইবে।

ভাই কৃষক, যাহাতে কৃষকের পক্ষে রায় দিতে তাহারা বাধ্য হয় সেই হেতু আগাদের এই আন্দোলনকে আরও জোর করিয়া তুলিতে হইবে।

এই উদ্দেশ্যে রংপুরে কালীগঞ্জ থানায় একটি বিরাট কৃষক সম্মেলন হইবে। কলিকাতা ও অন্যান্য জেলা হইতে মোঃ আব্দুল্লাহ বশুর্, মোঃ আবু হোসেন সরকার, মোঃ মুজাফ্ফর আহমেদ, বন্ধিন মুখার্জি, নীহারেন্দ্র দত্ত মজুমদার প্রভৃতি বহু গণমান্য কৃষক নেতা আসিবেন। সকলের দলে দলে এই সম্মেলনে উপস্থিত হওয়া চাই।

But Zamindars, Mahajans, Dalals etc. who are against this movement are trying to create frictions amongst the Kriaks. But they are not afraid of that. The Rangpur Kriaks must stand against any political affair which would try to suppress them. They should give an united front to explain how harmful the Zamindari System is. It is through their agitation that they have acquired some facilities such as abolition of tobacco tax, collection of illegal fees etc. But this is not enough they should acquire more facilities. A Conference will be held at Kalyanpur at the middle of July to consider the life and death question of the Kriaks where many leaders from different districts will attend and will give lectures with magic lanterns etc. regarding the movement of the Kriaks of India and also other countries of the world.

Memo.No. 1514 S.B.
B. I(3)-39

Dated, the 13 April 1939.

The undermentioned document is forwarded to P.E.S. Finney, Esqr., I.P., Deputy Commissioner of Police, Special Branch, Calcutta for information with reference to his Memo.No.2461 S.K.556/39 dated the 14th March 1939. About the Surma Valley Krisak Conference mentioned therein a reference may be made to para. 355 of the Assam Abstract No. 11 dated the 18th March, 1939.

Deputy Inspector General of Police,
Assam.

Copy of D.O. No. 654 dated the 8th April 1939 from the Superintendent of Police, Sylhet.

.....

Your Memo.No. 1234 S.B/B.1(3)39 of the 21st March, 1939.

The writer Ramanath is identical with Rama Nath Bhattacharji (No. 15 of the current Assam list).

The addressee Ananga Kumar Chakravartti is a son of Anani Kumar Chakravartti of village Nartan, P.S. Kulaura, District Sylhet. He was an active member of the Sylhet Tarun Sangha and was concerned in affixing a highly seditious leaflet "Swadhin Bharat" in the Sylhet M.C. College compound in 1932. He passed the I.Sc. examination from the M.C. College in 1934. He is now working as an Agent of the Valcan Insurance Co., Ltd., and has been residing in Calcutta.

Sudha is probably identical with Sudhangshu Bhusan Dasgupta, son of Mohendra Kumar of village Jafarnagar, P.S. Sitakundu, district Chittagong. He is a Bidyasram worker and had been in the congress office, Maulvibazar, when Ramanath wrote this letter to Ananga.

Extract from the Summary Report of the

.....

A session of B.P.K.C. was held at Vill.
Harimal P.S. Baruipur Dt. 24 Parganas on 29.4.39.
Nurul Huda of Commilla presided. The flag hoisting
ceremony was performed by M. Mohiuddin.

M. Mohiuddin in the course of his speech
explained the implications of the red flag
which was an emblem of unity between the
peasants and the labourers of the world. The
red ground of the flag indicated the blood that
had been shed by the suffering peasants and
labourers; the hammer and the sickle indicated
the unity of the peasants and the labourers
while the star indicated the path of future
struggle. As the mariners proceeded through
unknown seas keeping an eye on the pole star,
so the star in the flag indicated the way to
the peasants and the labourers. The peasants and
the labourers should therefore unite under the
flag for the great struggle that was coming on.

PEASANTS ARE PILLARS OF SOCIETY

Implications Of Krishak Movements

FARIDPUR DISTRICT PEASANTS' CONFERENCE

Comrade Muzaffar Ahmed's Presidential Address

(From Our Own Correspondent)

Gopalganj, April 23.

"The Conference has been convened at a time when the district of Faridpur has been passing through troublous time and one of the greatest crises in her history. The flood that visited the district last year has left its devastating marks throughout the district. Famine that came in the wake of flood shows no sign of abatement—it is rather ever on the increase."

With these words Mr. Muzaffar Ahmed began his presidential speech at the first session of the Faridpur District Krishak Conference held on 23rd April at Mahatal, Gopalganj.

78 per cent of the people of Faridpur district are Krishaks. Paddy to the extent of 8,500,000 mds. at an average is produced per year in this district. But this amount is not sufficient for the people of the district. They have to get something of what they require from outside.

For the last few years, times have been very bad with the peasants. Due to a substantial reduction in the price of crops, they are over head and ears in debt. The result has been disastrous—namely a considerable portion of the lands belonging to cultivators is passing out of their hands. Hence it is that the number of labourers ready to work in the fields is going up by leaps and bounds and the supply has been much above the demand.

DRAINING PEASANTS

Systematic draining of various sorts for a number of years has reduced the peasants to their present pitiable condition. Our real masters are the English proprietors of big banks and industrial organisations. Along with the foreign masters, there has grown up another class from amongst our own countrymen who are also draining the peasants dry—I mean the Zemindars.

It need hardly be emphasised that before the present English regime in India, peasants were the real owners of lands. But the peasants now-a-days are no better than tillers of the soil. What is worse still, many illegal exactions are made from them. The exacting money-lenders are a veritable curse in the life of a peasant. Sometimes, attempts are made, here and there, to pass certain measures towards ameliorating the condition of the peasants. But these measures fail to bring sufficient protection to them. There are, besides Zemindar and money-lenders, a host of other agencies to deprive the peasant of his rights. Not a man part of world's output of wealth is produced by peasants. They cannot, however, enjoy the fruit thereof, which is spent for other people's comforts.

appointed a Committee presided over by Sir Francis Floud to enquire into the land-revenue system in Bengal. Suggestions have been made in certain quarters to abolish the Zemindari system and at the same time to adequately compensate the Zemindars. The Bengal Provincial Krishak Sabha do deprecate the idea. For the last 140 years, the Zemindars have been a source of constant loss on the part of the peasants. Who are going to make compensation for all the loss sustained these years by the peasants? If the question of compensation at all arises, the compensation has to be made to the peasants and not to the cultivators. The Krishaks refuse to make any compensation whatsoever to the Zemindars.

A WIDE MOVEMENT

The peasants' movement is not confined to Bengal alone. Its activities cover a wider area—the whole of India. The peasants have to get them united with the labourers who are too great a force now-a-days to contend against. Indian peasants must also be thoroughly conversant with the conditions and organisations of peasants outside India. Specially, what is going on in Soviet Russia should be known to every peasant in India. The more Indian peasants will learn of the peasants and labourers in Soviet Russia, the stronger they shall become.

PEASANTS' ASSOCIATIONS

Driven to desperation, the peasants are out to better their condition by fighting out the Zemindars and the money-lenders. Fighting to be effective has got to be a united front. With that object in view, Peasants' Associations have been formed throughout India. The peasants will ventilate their grievances through these bodies. But the society, as it is constituted at present, is not congenial for the removal of the grievances of peasants. Hence the present society has got to be re-constituted. But no social change will be possible unless India attains independence. Hence the supreme need of the hour is attainment of independence. And the first step towards any movement for independence will be the demand for the release of political prisoners. Because the aim and object of the peasants and the political prisoners are essentially identical, their united efforts will be a most effective weapon for fighting foreign domination.

AN ECONOMIC MOVEMENT

The Krishak Movement is essentially an economic movement. Hence the question of religion should not be driven as a wedge between the two communities. No discrimination should be made between persons for the simple reason that their religions are different. All the peasants are to be brought within the fold of the peasants' associations, irrespective of their religion. Krishaks are krishaks—they are neither Hindus nor Mussalmans.

THE MUSLIM LEAGUE

For some time now, the Muslim Leaguers are obstructing the activities of Krishak Samitis. Attempts are being made to prevent Muslim peasants from joining peasant organisations. The Muslim League claims that it is always solicitous of the good of the Muslim community. Majority of the peasants of Bengal are Muslims. So, if the demands made by the peasants are conceded to, the Muslims in Bengal will profit more than the Hindus. Therefore, to prevent Muslims from joining the peasant organisations comes with ill grace from the Muslim League. No discrimination is made as to whether a peasant is a Hindu or a Mahomedan, when he is drained dry. The Muslim League is never earnest about the interest of the Muslims. The League is, at best, an organisation of Muslims in the upper strata of society which exploit the peasants to serve their own selfish interests and to appropriate to themselves certain privileges.

FLOOD COMMISSION

The Government of Bengal has

B. P. Kisan Conference

GAYA SESSION

Over 20,000 People
Attend

GAYA, May. 4.

The first day's sitting of the 8th session of the Bihar Provincial Kisan Conference was held yesterday under the presidentship of Mr. Shyamnandan Sinha, M. L. A. as the President-elect Pandit Rambriksha Benipuri was arrested at Patna Junction under the Defence of India Rules. The procession which started from the railway station led by Mr. Shyamnandan Sinha and Mr. Pursottamdas Tricumdas was joined by about 15 thousand people.

The Conference was attended by more than 20 thousand people. Important kisan leaders seated on the dais included Mr. Shyamnandan Singh, M. L. A., Mr. Purshottamdas Tricumdas, Mr. Shibnath Banerji, Mr. Biren Bhat-tacharyya, Mr. Rabi Ghose, Mr. Gopinath Sinha, Mr. Srivastava, Mr. Awadeshwar Prasad Sinha, Mr. S. H. Razi, Mr. Shatrughna Sharan Sinha, Dr. Surajdeo Narayan Sinha and others.

Mr. Purshottam Tricumdas while inaugurating the conference referred to the basic problems of the kisans and labourers and exhorted the audience to work for the achievement of complete independence wherein political power would be enjoyed by the peasants and labourers. He also referred to the communal clashes occurring at many places throughout the country and asserted that Hindu and Muslim peasants had identical interests and neither the Hindu Mahasabha nor the Muslim League could protect the interests of the exploited sections of the people. He laid great stress on unity.

Mr. Shyamnandan Sinha, M. L. A. in the course of his presidential speech read extracts from the printed speech of Pandit Rambriksha Benipuri.

Mr. Shibnath Banerji also made a speech exhorting the kisans and labourers to fight out their battle effectively

If not, they may be persuaded to purchase their coal requirements from Indian companies. Similar requests may also be made to Indian cement and shipping companies.

The Federation's move is a laudable one and it will be recalled that the President of the Federation in his address at the last annual meeting of that body laid special emphasis on this spirit of co-operation among Indian industries. While suggesting that Government should immediately set up a suitable machinery to deal sympathetically and expeditiously with the claims of industries for protection, he pointed out that "such industries as are protected or encouraged by the Government or by the public as Swadeshi industries should in their turn realise their reciprocal obligations and encourage their own industries by purchasing their own requirements from them." On an earlier occasion, in course of an article contributed to the December issue of the *Indian Review*, he pointed out that Indian industrialists and businessmen "are in a position to help the cause if only they ensure complete co-operation among themselves. . . . The bigger concerns are in a position to advance the cause materially. Such co-operation does not exist at present in case of some industries—what is more, a good number of the large manufacturing Indian concerns in many cases avoid purchasing mate-

The "Times" in a leader on the
war situation comments:—

The enemy is now in possession

The movement represents a chal-

once again the risks are largely a
